

CREATE - A - CRITTER CONTEST

2009

This competition provides a great hands-on activity for the classroom, neighborhoods, Cub Scouts, Girl Scouts, or other youth groups and makes a great display at the County Fair.

Our hope is that this project will give youth, who normally would not have an interest in agriculture or the County Fair, an opportunity to be involved and enter a project.

Grand Champion, Reserve Grand Champion, and specialty Awards will be chosen from all entries. Each group that participates will receive a Salt Lake County Fair Participation Rosette

We will provide the animal body form and you and your group will design the animal of your choice.

Please call Sparkie at 302-7508 or Sarah at 254-8657 for additional information and for the body frame.

Choices are: Cow, Sheep, Goat, Horse, Pig, Chicken, or Rabbit.

All entries must be received by Sparkie by August 2, 2009. You can e-mail Sparkie at: sparkie.1@comcast.net or edible@slco.org
